

These kids just steal your heart! And we offer it up selflessly to them. Praise God with me Home Team for the amazing hearts you all serve together. As you see these students leaping in the joy of Jesus, let your HOPE raise.

We have been challenging our campus huddles to carry our "EVERY" throughout their week. "Help someone this week using a gift you have", "Encourage your team this week to make every rep matter", "This week, play your game whatever it is as if it is your last". We lay out the challenge and I'll admit sometimes not with the greatest expectation.

But God... These kids just steal your heart! They came back with stories, they came back with experiences. Above all, they came back with relationships that we have the ability Home Team to carry them through the years to come.

THANK YOU Home Team!! Not a day goes by where your love and prayers are not needed and received. Teamwork makes the dream work & this Team is in fact God's amazing miraculous dream.

You Are Created

You matter. You are made with a grand design in mind. And you are meant for so much more.

We always want more. More reps. More playing time. More wins. More championships. More records. The list goes on and on. As competitors, we are driven by being the best and making the most of our athletic or coaching careers. But when is enough, enough?

**"Character Coach is arguably the greatest tool God has given FCA"
- Jason Smith, FCA Staff**

WHAT IS A CHARACTER COACH?

An FCA Character coach is a volunteer that engages, equips and empowers coaches and athletes spiritually, through personal, character, and leadership development.

THE NEED

The mass media has catapulted sports into a 24/7 worldwide platform of influence. FCA Character Coaches understand this responsibility and seek to enter this arena with a sole purpose of ministering to the unique needs of coaches and athletes.

As a result, the shadow of their influence for the gospel of Jesus Christ has grown exponentially as the people of sport live out their faith in their personal and public lives.

WHY CHARACTER COACHES?

The mobilization of Character Coaches is a key initiative for FCA as we pursue the mission of leading every coach and athlete into a growing relationship with Jesus Christ and His Church.

**Team, we are praying for a Character Coach for EVERY team.
EVERY!**

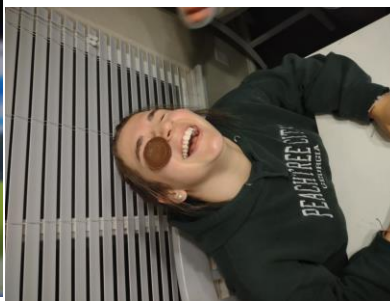

FAMILY UPDATES

June 14, 1999 an adventure began that neither Holly or I could have begun to dream up. An entire marriage together in all areas of life. Come to find out, spouses working together is biblical! Which is why likely our culture teaches otherwise. Holly continues to serve FCA Endurance with a genuine servant heart. We are looking forward to our Real Time road trip next week as we trek to San Antonio to connect with FCA Global Staff.

Landry (7) is rockin 2nd grade and keeps us on our toes. Teachers, neighbors and friends agree her joy and courage are infectious.

Landry looks forward to FCA Camps and seeing cousins this summer.
Favorite Class? Recess
2nd Favorite? Lunch

Casey is our 15yr old freshman whose maturity and wisdom provides great ears for her peers. Already taking driving classes and leading JV Volleyball at school and club team.

Casey most driven to drive and also looks forward to time with friends and family this summer

A Junior already in what I call "his school". Tristan leads Student Council and FCA with patience, grace and a dash of goofiness.

Tristan looking forward to a road trip & family this summer.

Luke. No greater friend to all of us.
Patience and grace beyond human capacity.
